Importance of Patient Awareness Regarding Insurance Benefits:

Allergy Asthma & Immunology Institute realizes how important insurance benefits are. **We ask that you carefully review your policy and/or contact your insurance carrier so you are aware of your benefits, deductibles, frequencies, and restrictions.** Please be informed that insurance is a contract between you and your insurance company. Our role is to assist you with filing your claims. Allergy Asthma & Immunology Institute is providing the highest quality of care for you and your family regardless of insurance benefits and deductibles. Please be aware that your insurance may have a yearly deductible. You will be responsible for payment of half of the allowable balance of your remaining deductible during your first visit. Your responsibility also extends to include the copay for specialists services, if applicable. Your insurance mails a copy of the Explanation of Benefits (EOBs) to you. Please pay attention to these statements. Please provide us with a copy of your insurance card(s) at the time of your first visit or at the time of insurance coverage changes. **It is your responsibility to provide us with any future changes in your insurance as soon as possible.**

Any balance beyond 45 days is your responsibility, and interest will be applied to your account at the rate of 1.5% of the unpaid balance per month.
